

## Membership Application

Thank you for your interest in joining the West Philly Tool Library. The Tool Library is a community effort to provide a variety of hand, power, yard, and other tools to community members. We are aiming to open this September. By becoming a member today, you help us raise the money necessary to open our doors. Although we greatly appreciate your support today, we will ask you to read and sign our tool lending policy and waiver of liability form before borrowing tools.
